# Dauber Dot Math

## Double the Die Plus One

### Rules of the Game

1. Each player chooses a colored dauber.
2. The players roll the die. The highest number goes first.
3. First player rolls the die.
4. Take the number on the die and double the amount, then add one.
5. Find the number on the chart.
6. Daub the number inside the circle.
7. If the player gives the wrong answer, or the circled number is already colored you lose a turn.
8. Count the colored dots. The player with the most dots wins.
