Teacher Tips

- Print Setup: Select Landscape and Shrink Oversized Pages

- For extra thickness, print posters on card stock.

- This package contains two printable posters in which each letter is assigned a monetary value. The goal is to find words worth exactly a dollar or a hundred dollars. Students finding dollars words will be adding decimals while students finding hundred dollar words will be adding whole numbers. Select the appropriate poster for your grade level.

- Introduce the activity by displaying the printable posters on an interactive whiteboard or projector.

- **<u>Discipline</u>** is a Dollar Word: $0.04 + $0.09 + $0.19 + $0.03 + $0.09 + $0.16 + $0.12 + $0.09 + $0.14 + $0.05 = $1.00

- This activity is great for students who finish their work early. Encourage them to try to find Dollar Words or Hundred Dollar Words when they complete their assignments.

- Make a bulletin board titled "Dollar Words" or "Hundred Dollar Words." As your students find words, post their words on the bulletin board along with their name or picture. This will encourage them to find even more words. Think of all the adding and estimating they will be doing!!
