

NAME: _____

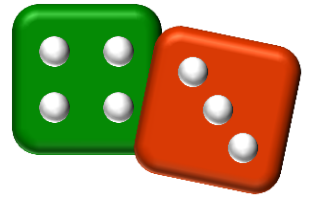

Roll each number cube once. The numbers on the cubes tell you which number to use and what task to do.

 NUMBER	 TASK
① 12	① Odd or even?
② 15	② Show with ten-frames
③ 14	③ Show using coins
④ 18	④ How many more to make 20?
⑤ 11	⑤ Count on the next 5 numbers by 10s
⑥ 13	⑥ Make the number using three different equations
